

ALPEN RESORT BIVIO

Property Details

The Hotel Alpen Village is ideal for couples, groups and families, The bathrooms are fitted with a shower, wash basin and WC, and all rooms come with a flatscreen TV. In the brand new wellness area there's a swimming pool and relaxation areas as well as a sauna & turkish bath plus a kids area complete with a slide.

Next to the swimming pool is a relaxation area where you can listen to music and unwind. For aching muscles, book a sports or relaxing massage. (see bottom of page for wellness area description)

There is a choice of Economy, Standard, Balcony or Panorama rooms plus Triple & Quad and Family rooms. Please note these are in a part of the hotel which is classed as 3 star. See below the information on all the new rooms that have just been added in the superb new extension. which is 4 star

There is a newly refurbished restaurant serving both breakfast and evening meals and a huge selection of fantastic Italian wines available.
