

Montivas Mountain Lodge, Livigno, Italy

Nestled next to the ski lift and ski school meeting point, Montivas Lodge is a superb 4-star hotel offering ski-in, ski-out convenience—an ideal choice for school groups looking for seamless access to the slopes.

All rooms are spacious, modern, and en-suite, featuring sleek bathrooms equipped with a shower, toilet, washbasin, heated towel rails, and a hairdryer. Designed for both comfort and functionality, each room boasts single beds, a large plasma TV, and a writing desk, creating a welcoming environment for relaxation after a day on the mountain.

Guests can indulge in a diverse breakfast selection, ranging from cereals, pastries, hot dishes, yoghurts, and fresh fruit juice to tea and coffee. The hotel is also dedicated to catering for allergies and special dietary requirements, ensuring every guest is well looked after.

For added convenience, each room includes its own heated ski locker in a state-of-the-art locker room, making gear storage effortless. Plus, with free Wi-Fi throughout the hotel, guests can stay connected and share their alpine adventures with ease.

Montivas Lodge truly combines comfort, accessibility, and thoughtful amenities for a memorable mountain escape.
